To better serve your child, are there particular issues that we should know about concerning your child? (e.g., allergies, learning styles, change in family status, family events?) Sharing information helps us best serve your child. Leaders do not share information outside the classroom setting. _____

As parent(s), I/we would be willing to help in the following ways:

_____ lend a set of hands for a class project

_____ substitute teach in a class (with help, *por supuesto*)
