

# **FUSH Work Camp 2012**

## **Information and Application**

**Christian Outreach with Appalachian People**  
**Harlan, KY - July 1-7, 2012**

### **Information**

July 1-7, FUSH will go on their annual Work Camp, this time to the Appalachian Mountains of Harlan, KY to build and repair homes for the rural poor. We will be working through an organization called "COAP"- Christian Outreach with Appalachian People. We will get to know home owners and learn about their lives. We will learn about Appalachian culture and how the coal mining industry shapes life in Harlan, which is owned by the coal mines. We will have time for play, relaxation and reflection amidst the grandeur of God's creation high in the mountains. The FUSH Work Camp Application (below) and Volunteer Consent Form (separate file available on website) must be completed and submitted by March 15 to participate. Send to Julie O'Shea, First United Church of Oak Park, 848 Lake St. Oak Park IL 60301.
